

DIRECTOR OF CENTRAL INTELLIGENCE

Bill -

Here is the Rhodesia
map.

Our people would
like to see de Borchgrave.
Should you ask
if he is willing since
he talked to you; or
should I call
him. Let me know.

NOTE TO: The DCI

FROM : Bob Layton, A/DCI/NIO/SSEAAF

SUBJECT: Letter to Arnaud de Borchgrave

Last week you gave the attached map from Mr. de Borchgrave to Mr. Carver so that we could make a copy. Attached are two letters of thanks to Mr. de Borchgrave. The first (TAB A) is a straightforward letter of appreciation. The second (TAB B) is the same plus a paragraph expressing the interest of analysts within the building -- myself included -- in meeting with Mr. de Borchgrave.

WASHINGTON, D. C. 20505

Mr. Arnaud de Borchgrave
Newsweek, Inc.

Dear Arnaud:

I would like to express my appreciation for the map of Rhodesia that you gave me. My analysts found it useful and have made a copy of it since it contains some information that we did not previously have. As you know, Rhodesia, even for the intelligence community, is something of a denied area, and we find informative articles, such as the one you had in Newsweek, of value.

Some of the analysts within the Agency have expressed an interest in meeting with you and discussing the Rhodesian problem. If this would present no problems to you please let me know and we will make arrangements for such a meeting at your convenience.

Again, my thanks. I am looking forward to seeing you again in the future.

Sincerely yours,

George Bush
